With every enhancement, the City outdoes itself. Now it returns to stun on every level. Rule the road with style that makes heads turn. Be swept away by innovation that makes the pulse race. Discover how the best just got better.
With every enhancement, the City outdoes itself. Now it returns to stun on every level. Rule the road with style that makes heads turn. Be swept away by innovation that makes the pulse race. Discover how the best just got better.
LED HEADLIGHTS* WITH LED DAYTIME RUNNING LIGHTS  
The City’s LED headlights are equipped with LED DRL for better energy efficiency and brightness.

LED TAILLIGHTS***  
Perfected with sleek LED, the taillights make the City even more dazzling.

DUCKTAIL SPOILER WITH LED BRAKE LIGHT*  
Striking even from the rear, the City is now enhanced with a Ducktail Spoiler with built-in brake light.

MULTI-ANGLE REVERSE CAMERA**  
Choose from three angles to get a complete view of your surroundings when you reverse.

The City makes a statement that you have arrived. Whether coming or going, the City has style that is set to stun.

*V variant only. **E, V & Hybrid variants only. ***V & Hybrid variants only. Actual model may vary in detail from image shown. Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.
SHARK FIN ANTENNA
The Shark Fin Antenna ramps up the style of your City.

AUTO RETRACTABLE SIDE MIRRORS WITH TURNING LIGHTS**
Mirrors automatically fold when the car is locked or unlocked, and turning lights alert drivers to the car’s movements.

DUAL TONE ALLOY WHEELS
A stylish set of multi-spoke Alloy Wheels in a dual tone design captivate at first glance.

LED FRONT FOG LIGHTS*
When you need greater visibility, switch these on to light your way further.

*V variant only. **E, V & Hybrid variants only.

The City isn’t called an all-rounder for nothing. Discover its full range of features, masterfully engineered as only Honda knows how.

**ECON MODE**
Enjoy improved fuel efficiency with the push of a button.

**ECO ASSIST**
When your driving style maximises fuel efficiency, it will be reflected by a colour-changing light around the speedometer.

**PADDLE SHIFT**
Responsive and exhilarating driving is at your fingertips with the steering-mounted Paddle Shift.

**CRUISE CONTROL**
Hit the highway and cruise at a constant speed as the City takes over your drive.

**ECON MODE**
Enjoy improved fuel efficiency with the push of a button.

*E, V & Hybrid variants only.***S, E & V variants only.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.
The City isn’t called an all-rounder for nothing. Discover its full range of features, masterfully engineered as only Honda knows how.

CONTINUOUS VARIABLE TRANSMISSION (CVT)****
Honda’s Earth Dreams Technology CVT minimises the environmental impact of your car and ensures smooth driving.

1.5L i-VTEC ENGINE****
The City’s i-VTEC Engine delivers a perfect balance of performance and fuel efficiency of 5.7L/100KM (based on UN R101 Test Result).
SMART ENTRY
Enter the car effortlessly without having your key in hand.

PUSH START BUTTON
Start your City in style with a press of the ignition button, which is outlined by a modern chrome ring.

METER CLUSTER
The elegantly illuminated Meter Cluster is both easy on the eye and stylish.

REAR VENTILATION & MOBILE POCKETS**
Rear air conditioning and storage pockets for mobiles ensures comfort and convenience for passengers in the back.

*V variant only. **E, V & Hybrid variants only.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.
A press of a button to answer calls helps to keep your hands on the steering wheel and focus on the road.

Control your favourite tunes with ease.

Enjoy your favourite tunes on a high quality surround sound system.

The elegant interface of the touch panel makes controlling air conditioner settings a breeze.

Enhancements to the City’s built-in touchscreen awakens enjoyment at the touch of your fingers.

Bluetooth sync ensures calls are a speed dial away.

Control audio settings and your music playlist to find the tune that fits your drive.

Mirror apps from smartphones via HDMI cable.

Packed with features, the City opens up a drive that is filled with enjoyment, thanks to technology that is as convenient as it is a pleasure to use.
The City’s spacious cabin is designed for the ultimate comfort for both the driver and passengers.

60:40 FOLDABLE SEATS
Extend your luggage area with rear seats which can be folded into a 60:40 split.

8 CUP HOLDERS
Keep beverages within easy reach of every passenger.

536L TRUNK SPACE
Boasting the biggest trunk in its class, the City easily fits everything you need to carry.

*V variant only. Actual model may vary in detail from image shown.
Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.
The City's spacious cabin is designed for the ultimate comfort for both the driver and passengers. Leather Seats* The first-class experience is yours every day with Leather Seats featuring fine contrast stitching.
STUNNING SAFETY

Safeguarded with a host of safety features, the City leaves you free to fully enjoy the drive.

VEHICLE STABILITY ASSIST (VSA)
When taking sharp corners, the VSA system stabilises the vehicle by reducing under or oversteer.

Without VSA

With VSA

6 AIRBAGS*
All-round protection comes from Dual Front Airbags, Side Airbags and Side Curtain Airbags.

*V variant only. Actual model may vary in detail from image shown.
Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.
G-CON
G-FOCE CONTROL TECHNOLOGY

G-FOCE CONTROL (G-CON)
Honda’s advanced technology creates a body frame which absorbs impacts to minimise injuries to passengers during a collision.

ANTI-LOCK BRAKING SYSTEM (ABS)
Prevents the wheels from locking up during emergency braking situations for better vehicle control.

HILL START ASSIST (HSA)
Helps to prevent the car from rolling backwards when the brakes are released on an incline.

EMERGENCY STOP SIGNAL (ESS)
Sudden braking activates the flashing of hazard lights as a warning to other drivers.

ISO FIX
Safely install child car seats with ISO Fix, the global standard for child car seat safety.

3-POINT ELR SEAT BELTS
Seat belt pretensioner prevents forward motion while load limiters reduce pressure on the chest.
SPORT HYBRID i-DCD
Intelligent Dual-Clutch Drive

EFFICIENCY THAT THRILLS.

The i-DCD system switches seamlessly between electric mode and thrilling sport mode with a combination of electric motor and engine power. It delivers performance equal to a 1.8L engine yet remains fuel efficient*.

New 1.5L DOHC i-VTEC Engine with Idle Stop
Designed with performance and efficiency in mind. It switches off when idling to minimise fuel consumption.

7-Speed DCT with High Power Electric Motor
Dual clutches allow for quick gear shifting to enhance the thrill brought by the high power electric motor.

High-Power Lithium-Ion Battery
Powerful yet durable, the Lithium-Ion Battery has high capacity in a compact package.

Shift By Wire
Change gears seamlessly with a fully electronic gear shifter that’s sleek and futuristic.

3D Illuminated Meter Cluster
The stylish and advanced Multi Information Display shows useful information such as energy flow, efficiency and more.

Fully Electric Driven Compressor
A fully electric compressor reduces the load on the engine, allowing the air conditioner to cool when idle stop is activated.

Sporty Handling
Enhancements to suspension and connecting rods give the Sport Hybrid its distinctive agile handling.

Improved Noise, Vibrations and Harshness (NVH) Reduction
New insulators absorb outside noise and vibrations for a quieter and more comfortable drive.

Electric Servo Brake System
An integrated electronic control unit allows a greater battery recharge rate when braking. This enhances braking comfort and gives a longer drive in EV mode.

# UN R101 Test Result for City Hybrid: 3.9L/100km.

**Lithium-Ion Battery**

High capacity in a compact package.

**Powerful yet durable, the thrilling sport mode with a combination of electric motor and engine power.**

Experience exhilaration with the i-DCD system switches seamlessly between electric mode and

**New 1.5L DOHC i-VTEC Engine with Idle Stop**

**Designed with performance and efficiency in mind. It switches off when idling to minimise fuel consumption.**

idle stop is activated.

the air conditioner to cool when the load on the engine, allowing a fully electric compressor reduces driven compressor.

**Power Electric Motor**

thrill brought by the high gear shifting to enhance the Dual clutches allow for quick Electric Motor with High Power.

**Shift By Wire**

7-Speed DCT Change gears seamlessly gear shifter that's sleek and futuristic.

**Information Display**

The stylish and advanced Multi 3D Illuminated Meter Cluster shows useful information such as energy flow, efficiency and more.

**3 Airbags**

Dual front and side airbags keep the cabin protected.

**Hill Start Assist (HSA)**

Holds the car on slopes when the brakes are released to prevent the car from rolling backwards.

**Emergency Stop Signal (ESS)**

During emergency braking, the taillights and hazard lights flash to alert other drivers.

**Vehicle Stability Assist (VSA)**

Steer through corners with confidence as VSA reduces understeer and oversteer to keep the car stable.

**Assist (VSA)**

Keep the cabin protected.

Dual front and side airbags

4 Airbags

Hill Start Assist (HSA)

Emergency Stop Signal (ESS)

Vehicle Stability Assist (VSA)

Assist (VSA)

Suction airbags to prevent the car from rolling backwards.

**Reversing Sound Alert**

Plays a constant chime to alert pedestrians while reversing.

**Low Speed Sound Alert**

Alerts pedestrians as the car moves in EV mode.

**Without VSA**

Keep the cab protected.

**With VSA**

Dangerous light flash to alert other drivers.

**Without VSA**

During emergency braking, the taillights and hazard lights flash to alert other drivers.

**With VSA**

During emergency braking, the taillights and hazard lights flash to alert other drivers.

**Driving Efficiency Indicator**

Encourages efficient driving by providing visual cues around the speedometer. Green illumination indicates economical driving.

**Efficiency Progress Indicator**

Provides an indication of fuel economy, statistics and goals. Your progress is represented by the number of leaves displayed.

**Display Settings**

Adjust settings such as volume of keyless entry beep or duration of interior dimmer.

**Energy Flow**

Displays when driving in Sport Mode.

**Sport Meter**

**ECO Display**

**Customise**

**Fuel Economy**

Average fuel consumption & driving distance balance.

**Drive Info**

Average speed, average journey time.

**Drive Mode**

1. EV Mode when vehicle starts
2. EV Mode while cruising
3. When braking, motor disconnects with engine for better energy regeneration

Start, cruise & regenerative braking leads to better fuel efficiency.
